- Queen Mary University of London
- University of York
- University of Exeter
- Cardiff University
- University of Liverpool
- Queen's University Belfast and many more..

### **Duration of Courses:**

The biggest advantage of UK education in comparison to other educational destinations worldwide is that the UK provides programs of shorter duration.

**Bachelors:** • 3 years (4 years in Scotland)

**Masters:** • 1 year ( 2 years with placement / internship also available)

Bachelors with Sandwich year: • 4 years ( 1 year of internship after completing the 2nd year)

Integrated Masters: • 4 years (5 years in Scotland) Integrated Masters

Integrated Masters with Sandwich Year: • 5 years (UG and PG Combined with 1 year of internship)

### **Intakes:**

UK Universities have two major intakes

•September / October –Fall Intake

•January / February –Spring Intake

However, many universities offer courses commencing in

•April/ May/ June/ July –Mid Intake

### **English Language Requirements**

In general, the English Language requirement as per UKVI is CEFR (Common European Framework of Reference for Languages) Level B2 which is equivalent to a minimum 5.5 overall with 5.5 in each section in IELTS. IELTS waiver is available in many of the universities if the student has secured more than 65% -70%marks in 12thStandard English. A Pre-Sessional English Language program is also offered for students who do not meet the IELTS requirements of a particular course at a University. Types of English tests accepted Applicants must achieve this level of English by completing a successful 'Secure English Language Test' or SELT. English Language Tests which are accepted in the UK are IELTS, PTE, TOEFL and many more.

Which English language test is accepted in the UK? For entry to university programmes you would be required to take the Academic IELTS test. If you want to take a pre-sessional English course or a Foundation course, you must take your IELTS test at an approved UK Visas and Immigration (UKVI) test centre.
